Card Members – Important Notice

Here's your monthly list for January. It's our intention in 2012 to provide an updated list at the beginning of each month. However, during this first month of the year, we may need to make some interim list changes to accommodate a few of our current partner's contractual agreement allowing changes to their offer or timeline. We anticipate that any changes should be worked out in time for the February list. Thanks for your understanding.
